RULES REAUTHORIZATION:

Ms. Packer stated that for the first time the legislature adjourned without reauthorization of the state's administrative rules and that all Boards need to act to temporarily reauthorize their rules. The purpose of the meeting is to review a draft of the temporary rules to submit to the Governor's Office by May 10, 2019. Ms. Packer further stated that a full review of the Board's rules will be performed in 2020 for the 2021 legislative session.

Ms. Packer also explained the changes that will be made to the Board's applications and website for applicants who are active duty military, veterans, and their spouses because of H248 being signed into law. She updated the Board on the status of its administrative rules and the procedure by which those will remain in effect after June 30.

Mr. McQuade stated that the Bureau performed a brief review of the Board's rules to identify duplicative rules to present the Board for review and assessment. He also covered the Red Tape Reduction Act and the Bureau's process to review each Board's rules over the next two years.

Mr. McQuade explained that the Board is unable to make additions or changes to rules for this temporary reauthorization unless they are duplications of their statutes and that a full Board review of the rules will take place in 2020. He covered the duplications found by the Bureau and asked the Board to consider reauthorization of the rules as recommended.

The Board discussed the recommendations. Ms. Eichmeyer made a motion to authorize the Bureau of Occupational Licenses to reauthorize IDAPA 24.24.01, the Rules of the Genetic Counselors Licensing Board, to renew all rules except 010.01,

010.02, 010.05,010.06,010.11,010.12, 010.13, 010.14,010.15, 011.02, 011.03, 301 and 400. It was seconded by Dr. Beck. Motion carried.
